

CONSIDER THIS A PROMISE KEPT.

Introducing Ram AgPack

During a little football game a couple of years back, we promised you a partnership. One built on mutual understanding and respect; that's there when the sun rises, and stays with you through the best and worst, until long after the sun sets. Through our network of elite agriculture dealers, Ram is putting a package of farm and ranch management tools on the hood of every new Ram truck. From drones that gather data, to predictive analysis software using that data, to the nutrients you need for bigger profits, Ram AgPack adds more than \$5,000 of real farm value to your Ram truck. And it's on us... partner.

The Ram AgPack includes:

- \$2300 subscription to Agrible's Grower Bundle *
- \$1000 toward AgroLiquid Crop Nutrition**
- 10% off CropCopter AG DRONE technology***

Additional truck purchase discounts
from Case IH and New Holland

Additional complimentary products
from Fiat Chrysler's "On The Job" program.

How to get your Ram AgPack bundle:

1. Find a Ram Certified Agriculture Dealership at RamAgDealer.com
2. Use RAM's \$500 Farmers In America Bonus Cash to purchase your truck.
3. Receive the **Ram AgPack** bundle of farm and ranch management tools as our way of helping you realize greater efficiency and profitability.

AgPack is available exclusively at your local Ram Certified Agriculture Dealer

*One year subscription to the full suite of Morning Farm Report Field Forecasting services. **Requires 2000 gallon minimum delivery. Additional costs may apply. ***Maximum \$2000 total discount.
